Expanded LED Program

INNOVATION YOU CAN BE SURE OF

RECESSED LED DOWNLIGHTS

- Fit standard and shallow IC and Non-IC recessed housings.
- Include white trim with impact-resistant, polycarbonate frosted lens which diffuses the light evenly.
- Dimmable - compatible with most dimmers.
- ENERGY STAR® rated.
- UL Listed for damp locations.

COLOR LEDS

- Up to 89% energy savings over incandescent equivalent.
- Long life - last 22.8 years, 25,000 hours.
- Weatherproof, for indoor and outdoor use.
- UL Listed for wet locations.
- Ideal for commercial and residential applications: holiday lighting, outdoor accent lighting for home and garden, parties, home décor, special events.

NEW LED ADDITIONS

OMNI A19 LAMP

- 83% energy savings over incandescent equivalent.
- Now available in GU24 base.

REFLECTOR LAMPS

- 80-87% energy savings over incandescent equivalent.
- Available in GU24 and medium bases.

PAR30 SHORT NECK LAMP

- 85% energy savings over incandescent equivalent.

AN LED FOR EVERY APPLICATION

Recessed LED Downlights

Easily replace standard recessed housings with more efficient LED Downlights. Convenient one-piece kits are the perfect replacements when remodeling residential or commercial applications.

Track & Recessed Lighting

Perfect for highlighting interesting architectural spaces or providing ambient and directional lighting utilizing a range of beam spreads for both residential and commercial applications.

Pendant Fixtures

Perfect for balancing function and design, as well as creating a unique personalized style in the home or workplace.

Ceiling Fans & Decorative Fixtures

Use in both residential and commercial applications where brightness or ambience is desired. Perfect for providing ample downward illumination for dining rooms, bedrooms, and home entertainment areas.

Office & Work Area Lighting

Perfect for both residential and commercial applications. Easily replace any 4 foot linear fluorescent lamp with energy saving LED alternatives. Dimmable options available.

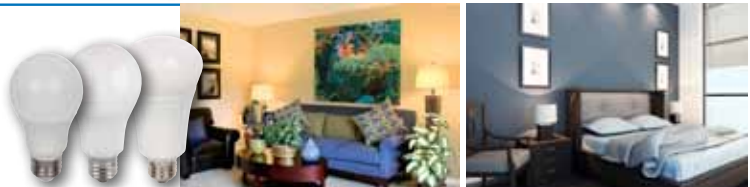

Vanity Fixtures & Night Lights

Perfect in bathrooms and powder rooms where task lighting is important. Also essential for avoiding obstacles in the dark as well as providing a sense of security at night.

Table and Floor Lamps

Perfect for general purpose lighting needs and for areas where various levels of brightness are required for reading or relaxing.

Outdoor Lighting

Perfect for transforming outdoor areas into inviting spaces. Ideal for outdoor areas where safety is a necessity.

Specialty Color Lighting

Perfect for commercial or residential outdoor accent lighting. Ideal for holiday lighting, parties and special events. Weatherproof for indoor and outdoor use.
