INDEX & NOTES	35-40
---------------	-------

All light fixtures, ceiling fans and accessories in this catalog are Underwriter Laboratories, ETL Listed or RU Certified for safety.

Lamps are not included with product unless otherwise noted. We recommend using Westinghouse lamps in all of our ceiling fans and light fixtures. Westinghouse Lighting reserves the right to make changes and/or improvements (both visually and technically) to the products in this catalog without notice. As a result, some products and/or product information may change.

Visit our website for the latest specifications.

A LEADER IN LIGHTING SINCE 1946

It all started in 1946 with two brothers and a small corner store in South Philadelphia. From this humble beginning, Angelo Brothers evolved into Westinghouse Lighting and the industry leader that we are today.

For over 75 years, our customers have always been our top priority. While our company has grown in both size and scope, we have remained committed to our core values of customer service, quality products, and sustainability.

Our Founders: Romolo & Stanley Angelo

We are proud to be one of the few privately held, multi-generational family businesses in the lighting manufacturing industry. Our team combines generations of experience with exceptional industry knowledge. As the only global lighting company to carry a complete line of lighting fixtures, ceiling fans, lamps, and lighting accessories, we are well-positioned to suit the ever-evolving needs of our residential and commercial customers alike.

Angelo Brothers rebrands as Westinghouse Lighting and begins marketing lighting fixtures, ceiling fans, lamps (light bulbs), and lighting accessories globally.

WHAT SETS US APART

DEDICATION TO CUSTOMER SERVICE

Our team strives to deliver the best customer experience every time. Our ability to consistently provide quality products, timely shipments, and friendly service has earned us a reputation of trust with new and long-standing customers alike.

QUALITY PRODUCTS & COMPETITIVE PRICING

We believe well-made products should also be accessible. Our strong supplier relationships allow us to provide our customers with competitive pricing on our vast assortment of high-quality lighting solutions. We offer a wide selection of indoor & outdoor lighting fixtures, ceiling fans, lamps, and lighting accessories at various price points, to ensure we have the perfect product for any need.

OUR TEAM

Our knowledgeable, experienced, and tight-knit team has been the cornerstone in our continued success and growth throughout the years. Our team is always available to offer support and guidance for all your lighting needs.

INDUSTRY KNOWLEDGE

Our dedicated team is passionate about lighting and keeping up with the latest trends, styles, and products for both residential and commercial markets.

LAMP REFERENCE GUIDE

Our lamp charts are full of information. Below is a breakdown of what it all means.

ENERGY USED

■ Replace F54T5HO linear fluorescent lamps.

) Dimmable when used with a compatible dimming ballast.

☼ Dimmable when used in conjunction with a (0-10V) dimming system and dimming module sold separately (Item# 502606930).

Ballast Bypass lamps are designed to operate on voltages ranging from 120-277V.
