

Item Number **509516913**

Bracket for 4 in. and 6 in. Slim Recessed Downlights, Steel

Specifications

- Height: 0.03"
- Width: 26.0"
- Depth: 8.30"

Features & Benefits

- Rough-in installation bracket for use with 4-inch or 6-inch slim recessed LED downlights in new construction applications
- Keeping the ring in place allows this bracket to be used on 4-inch recessed downlights, or remove it for use on 6-inch recessed downlights
- Install the bracket plate in the ceiling before installing drywall.
- After drywall installation, use the bracket as a guide for cutting/routing holes to accommodate slim recessed downlight.
- Slim recessed LED downlight sold separately.

Installation

Refer to instruction manual for installation and additional warnings. Consult a qualified electrician if unsure how to proceed.
